Support the Mechanic!  
We respectfully announce to the public that we have this day entered into partnership, for the purpose of carrying on a cheap and economical business in all the departments of Carpentery, House Joining, cabinet-making, &c. We have taken the old stand formerly occupied by John Lennex, where we are fixing for the prompt and efficient execution of all work that may be entrusted to us. Our object is to work for a reasonable reward. We will have a neat horse, and promptly fill all orders for coffins, sent to us. In this department, our prices will be much lower than that heretofore charged, while our jobs shall give entire satisfaction. We ask of the public a fair trial, being determined to succeed by industry and attention to business. Orders in our line, from town or country, promptly attended to. JOSEPH D. WAY, W. F. BURCHARD. Woodville, July 8, '51. 27.

**\$500 REWARD!**  
FOR the apprehension and delivery to the Sheriff of Carroll county, Miss. of JAS. WESLEY CONNER, who, without any provocation, shot down my son, J. D. Pate, on the 17th of July, 1851. Said Conner is 23 years old, about 6 feet high, dark complexion, black hair and eyes, very heavy eyebrows, rather an underlook, very white teeth, and walks erect. It is supposed that he will make his way down to Wilkinson county, in this State, or New Orleans. Papers favorable to the cause of justice will please copy. A. PATE. July 22, 1851.-4t

**STOP THE SLANDER.**

Pate, without any provocation whatever, on the 17th day of July, 1851." The statement is false and slanderous. No murder has been committed by Jas. W. Conner. James D. Pate is living and recovering from the effects of his wounds-wounds produced by a series of insults and injuries done to Jas. W. Conner and a widowed sister, such as no man should have been either more or less than a man not to have resented. Let a candid public hear and judge between the parties. THOS. G. CONNER. Black Hawk, Carroll county, Aug. 8th 1851.-1f.

**PIANO FORTES.**  
MANUFACTURED BY Messrs. Hallett, Davis & Co., of every variety of style and finish, of 6, 6 1/2 and 7 octaves, with and without iron frames, and finished with the French or English actions. We likewise manufacture the Piccolo or Bournon Piano, the action of which is very powerful and elastic, (being made after the principle of Erard's celebrated Bournon Piano). The flanges being made of Metal, instead of wood, places its durability beyond question, and in this respect, as well as in volume and purity of tone, it is superior to anything of the kind manufactured in this country. Messrs H. D. & Co., have been awarded a number of medals and diplomas for their superior Pianos. These instruments are warranted to give satisfaction in every particular. Orders promptly filled by D. L. PHARES. Whitesville, Md., June, 1851. 32yl Agent
